## Student Neighborhood Access Program

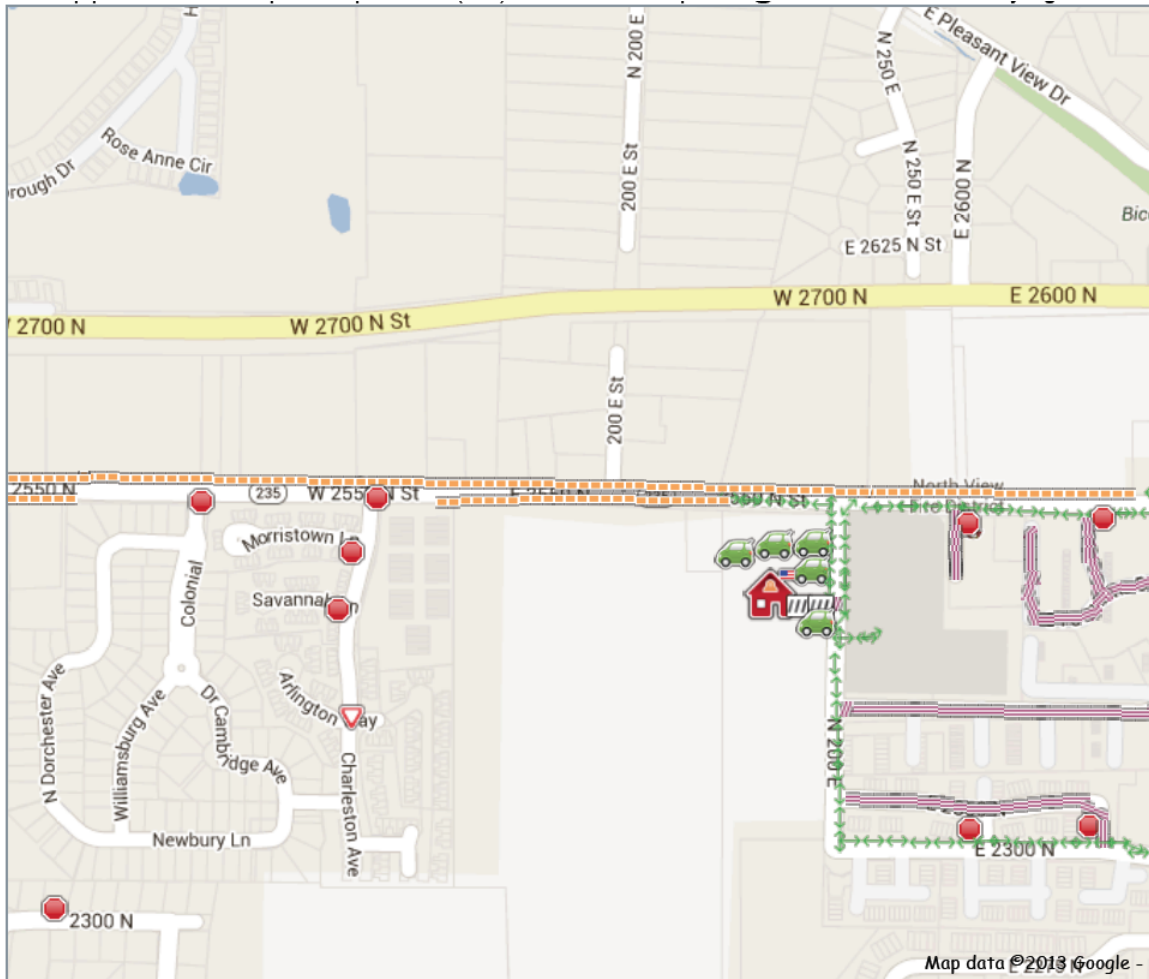

Maria Montessori Academy for grades Pre-K-9 is located at 2505 North 200 East in North Ogden, UT. Most students arrive and depart in carpools or guardian vehicles. Please follow the schools designated Drop Off and Pick Off Procedures to ensure students safety and the efficiency of traffic flow through the area.

Students of this school who decide to walk to and from school should follow the safest route possible using sidewalks, crosswalks, and underpasses where available. Walking students must obey all traffic lights, laws, signs and signals. A map with suggested routes is attached to this description.

The sidewalk areas extending along 200 East (North/South), 2550 North (East/West), and 2300 North (East/West) provide the safest access to the school campus. The only housing directly accessible to this route is a set of condominium communities. All other housing is located outside the recommended safe access route, separated by high-volume and high-speed roadways, and not recommended for pedestrian or bicycle transportation.

An alternate motor vehicle parking area has been approved by North Ogden City. It is located by the community swimming complex across 200 East. This parking area and the sidewalks east of the school campus are currently not served by crosswalk access. Pedestrians and bicyclists should cross carefully and legally to enter school grounds.

These routes are for the immediate area around Maria Montessori Academy and are not exhaustive. Please contact the school for additional information regarding safe traveling routes.

**Notes:** The only public streets within safe access to the school are designated. All others are private driveways, mostly belonging to condominium communities.
